

Core and/or Languagess Courses for Core

In the report there are courses with enrollments of 10 or more at both the middle and high school levels. So electives such as Band and PE courses operate at these levels here are core and/or language courses at the middle school level, with enrollments of 10 or more and core and/or language courses at the high school level, with enrollment of 10 or more. These are provided on separate pages of this report.

In speaking with principals many of the larger courses are the result of student requests for courses and the challenge of scheduling students to try and meet these requests. This societal results in an uneven distribution of students in courses for the same course. In other cases these are singleton courses for some courses and schools. In general to those numbers when
