Guidelines for Independent Educational Evaluations

Pursuant to the Individuals with Disabilities Education Act (IDEA), a parent has the right to an Independent Educational Evaluation (IEE) of their student at public expense if they disagree with an evaluation obtained by the student's Local Educational Agency (LEA). An IEE is an evaluation conducted by a qualified examiner or examiners who are not employed by the LEA responsible for the education of the student. A parent is entitled to only one IEE at public expense each time the LEA conducts an evaluation with which the parent disagrees.

Requests for IEEs should be submitted to the Arlington Public Schools (APS) Office of Special Education Compliance Specialist via email at colleen.koval@apsva.us or via mail at Arlington Public Schools Office of Special Education Compliance Specialist 2110 Washington Blvd., 2nd Floor, Arlington, Virginia 22204.

Upon receipt of a request for an IEE, APS will provide the parent information about where an IEE may be obtained and the applicable criteria for IEE. APS has the right, within its discretion, to request a due process hearing regarding a request for an IEE.

The Regulations Governing Special Education Programs for Children with Disabilities in Virginia provide that "... the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, shall be the same as the criteria that the local educational agency uses when it initiates an evaluation."
